

Beverly Edgewater Park Emergency Squad

In conjunction with Emergency Education & Development

Friends & Family CPR Training

Date: Saturday, June 1st
Time: 9am to Noon
Location: Beverly Emergency Squad, 703 Melbourne Ave

This course is designed to prepare the lay person in the event that a *Family or Friend* collapses in cardiac arrest. This course is a very basic overview of the chain of survival, CPR and AED. This course offers no actual certification rather than just certificate of completion and peace of mind that the lay person can be prepared in the event of someone going into cardiac arrest. This is a non-certification course.

This course is intended for people who want to learn CPR and do NOT require certification

This course covers:

- adult Hands Only CPR
 - adult AED use
 - child CPR and AED use
 - infant CPR
 - adult, child and infant choking relief
- Course Length- 2-3 hours depending on class size

Beverly City Residents are free with ID; Non Beverly City Residents are \$5; Donations are accepted
