*Please state your name and address clearly for the record.*

President Bancroft opened the meeting to public comment on agenda items.

Kraig McLaughlin, Chief of the Beverly-Edgewater Park Squad. Said he had numerous meetings and the bid was zero. They have met the RFP. He found that this was a done deal two months ago.

Charlene Rogers, 510 Melbourne Ave., said that two years ago, there was no money; however, she found it disgraceful that there is money in the budget for outsiders.

Bernadine Williams, 215 Laurel St., asked what this was about; Mr. Coleman explained about the RFPs.

Nancy Richards, 533 Broad St. asked if this was not a done deal, to which Mr. Coleman explained that it was not.

Richard Wolbert explained that the response rates have been going down for several years. He met with Chief McLaughlin, Emma and Lori last August concerning the response rate and it continued to go down. Mr. Wolbert advised that the recommendation was to go out for RFPs. He called Chief McLaughlin on May 18<sup>th</sup> and on June 14<sup>th</sup> they went out for RFPs. The City had been under transition aid and this is the first year the City was able to put something in the budget to help first responders. The issue is with the response rates.

Charlene Rogers, 510 Melbourne Ave. said that training used to be free; now, it is about \$2,000. She felt that the City should support their own town.

Rose, 2 Greentree Dr. Burlington, reported that stated that this squad paid for her to become an EMT.

Ross Closuer, 2 Greentree Dr., Burlington, advised the Council that the squad paid for him to get certified as an EMT.

Christine Jennings, Greentree Dr., Burlington, said the squad contributed a lot to the residents of Beverly, i.e. Easter Egg Hunt, etc.

Nancy Richards asked what would they do when they run out of money, like what happened in Edgewater park. Beverly has been there.

**MOTION** – Councilman Thibault made a motion to close public comment, seconded by Councilman Carlbon, and unanimously carried.

#### **RESOLUTION 2017-85 ~ REAFFIRMING BEVERLY CITY’S CIVIL RIGHTS POLICY**

**MOTION** - Councilman Thibault made a motion to adopt Resolution 2017-85, seconded by Councilman Schwedes. Ayes – Carlbon, Lowden, Schwedes, Thibault, Bancroft. Nays – None. Motion carried.

#### **RESOLUTION 2017-86 ~ CORRECTIVE ACTION PLAN**

**MOTION** - Councilman Thibault made a motion to adopt Resolution 2017-86, seconded by Councilman Schwedes. Mr. Wolbert there is only one item on the corrective action plan. Ayes – Carlbon, Lowden, Schwedes, Thibault, Bancroft. Nays – None. Motion carried.

#### **RESOLUTION 2017-87 ~ AWARD CONTRACT FOR EMS SERVICES**

**MOTION** – Councilman Thibault made a motion hold the adoption until further discussion, seconded by Councilman Lowden, and unanimously carried.

Councilman Thibault said that Beverly was an excellent squad, that it fell into disarray. This is a most difficult decision. The number one mission is to take care of the residents of Beverly. Council wants Beverly EMS to function and show up. Council has been brought into this due to the lack of response. He doesn't think money is the issue.

Chief McLaughlin said they discussed stipends to get members during the day. The biggest struggle is 6 a.m. to 4:00 p.m. Beverly Squad is applying for a grant from WaWa for \$25,000.

The City used to pay the insurance for the squad. Councilman Carlbon asked what they would do if they got the WaWa grant, to which Chief McLaughlin said they could put on paid people during the day. Councilman Thibault asked how many members there were, to which the Chief responded 30 members, 17 of which are EMTs. Councilman Thibault asked of the 30 how many were from Beverly City, to which the Chief responded 2. Some of the members followed James Daly when he left and other followed when Paul Bush left. The Chief said they have money in the budget now for partial paid members during the day. Councilman Schwedes asked how many members would be on during the day, to which the Chief responded 2 people, 1 truck. In 2012 the squad lost the contract with Edgewater Park, which hurt them financially. Councilman Schwedes added that the City wants the squad to survive. Councilman Lowden told the squad members that this is not personal. It is accountability. He asked how much insurance costs, to which the response was \$32,000. Councilman Lowden added that Diane Allen helped the City get the third rig. He asked how much would a paid squad cost as the \$15,000 might not always be there. Chief McLaughlin responded that they could do more fundraisers. Councilman Lowden said that Edgewater Park was 60 – 70% of the squad's income.

Councilman Carlbon asked if the RFP states five years, could the Council shorten that term, to which Mr. Wolbert responded that either side could pull out with 90 days written notice. Councilman Carlbon felt it should be a one year contract.

Councilman Thibault asked if they had the funds to staff two people from 8 a.m. to 4 p.m., why haven't they done so? Councilman Thibault asked if they did get a one year contract, what would be Council's recourse if they fell down, to which Mr. Coleman responded that they would go back out to RFPs.

Council President Bancroft added that this is a sad time for him as Beverly was the only squad he ever knew. They have waited six months for a meeting, and the Chief was supposed to come to a Council meeting once a month. He only came once.

Mayor Miller added that the squad has to communicate better. The Council asked for a meeting in December.

Mr. Wolbert advised Council if they were not comfortable with making a decision this evening, they could postpone it. Any questions Council wants answered, should be forwarded to Mr. Wolbert and he will forward all the questions to the squad.
